Objective

Computer Engineering graduate (2025) with strong expertise in Core Java, Spring Boot, and full-stack web development. Proficient in developing responsive, scalable applications with experience in backend integration using JDBC and Hibernate. Recognized for problem-solving, teamwork, and effective communication, with a passion for delivering high-quality software solutions.

Education

BE Computer Engineering | Gangamai College of Engineering, Nagaon- Dhule

Expected Graduation: 2025 CGPA: 8.03/10 | Percentage – 74.70%

12th SCI | S.S.M.M. College Pachora | Passout-2021 | Percentage – 78.33%

Technical Skills

- **Web Technologies:** HTML, CSS, JavaScript
- **Programming Languages :** C++, Java, OOPs , Frontend , Backend , React.js , MySQL.
- **Advanced Java / Backend :** JDBC, Servlets, JSP, Hibernate
 1. Spring Framework: Core, Spring MVC, Dependency Injection
 2. Spring Boot: RESTful APIs, Spring Data, Auto-configuration, Actuator
 3. Web Services: REST, JSON, API design, Security basics
- **Frameworks & Tools :** Spring Boot, Hibernate, JDBC, Git, GitHub , Maven/Gradle, Eclipse, VS Code , Postman.

Projects

Instant Plasma Donor Recipient Connector

Built a web-based platform to connect plasma donors with recipients efficiently. Used Core Java, JSP, and MySQL to manage real-time donor-recipient data and automate matching.

Enhancing Digital Marketing

Developed a web-based system integrating campaign management, SEO tools, email marketing, and analytics using Python (Flask), MySQL, HTML, and JavaScript. Focused on automation, data-driven insights, privacy, and improving ROI.

Conducted surveys with businesses to gather requirements.

Internships

Software Development Intern

Kiran Academy | Jan 2025 – Jul 2025

- Worked on a live project titled “Inventory Analyzer” using Spring, Java, and MySQL.
- Gained hands-on experience in backend development, database management, and full-stack application integration.

Experience

TCS iON Exam Center (June 2022 – June 2025)

Registration Manager & Team Leader

- Managed **candidate registrations and verification process** ensuring accuracy and compliance with TCS iON exam protocols.
- Acted as a **Team Leader**, coordinating with staff to streamline exam-day operations and resolve candidate queries.
- Supervised system management, seating arrangements, and document validation for smooth conduct of exams.
- Ensured confidentiality, security, and proper communication between exam authorities and candidates.
- Developed leadership, teamwork, and organizational skills by handling exam center responsibilities.

Certifications

- FullStack Development - Kiran Academy (Pune)
- C++ - Siddhesh Computer (Dhule)
